

MINI-WORKSHOP ON DATA FUSION METHODS AND APPLICATIONS

Wednesday, August 12th
SPECC Meeting Room (R437)

- 13:00 - 13:30** Tülay Adalı, University of Maryland, Baltimore County
Blind source separation for multi-modal data fusion
- 13:30 - 14:00** Age K. Smilde, University of Amsterdam & UCPH
A framework for common and distinct components in data fusion
- 14:00 - 14:30** Evrim Acar, UCPH
Coupled matrix and tensor factorizations: Models, Algorithms and Applications
- 14:30 - 14:50** **Coffee Break**
- 14:50 - 15:20** Jeremy Cohen, GIPSA-Lab, Grenoble
Joint decompositions with flexible couplings
- 15:20 - 15:50** Tormod Næs, Nofima & UCPH
Multiblock applications in sensory and consumer science
- 15:50 - 16:20** Rasmus Bro, UCPH
Data fusion in cancer diagnostics

The workshop is open to all interested. Please sign up for the workshop by sending an email to Evrim Acar (evrim@life.ku.dk) by August 10, 2015.
